

# **CLX120**

## **WATER-SAVING HAND-HELD SHOWER**

Product key: **CLX120**

- » ***No loss of shower comfort. Due to the water aeration high pressure and volume are guaranteed.***
- » ***The increased water pressure creates a wide spray which washes off soap and shampoo easily.***
- » ***Anti-lime scale technology. It is not possible for calcification to occur inside the shower head.***
- » ***Can be used in combination with all water heating systems including low pressure systems.***
- » ***Flow rate of 6 to 7 litres per minutes (= pressure dependant)***

**2 YEAR MANUFACTURERS  
WARRANTY!**
